

My Action Figure.

If you were a product like an Action Figure, what would you be, & what would be its features?
Draw yourself as an action figure, complete the boxes & discuss.

The diagram is a template for a self-reflection exercise. It features a central box labeled "My Accessories" with a large empty space for drawing. This central box is connected to several surrounding boxes by lines. On the left side, there are four boxes: "Strengths (school etc.)", "Weaknesses (school etc.)", "Role Models", and "Pull the Cord (My Motto/s)". On the right side, there are three boxes: "Hobbies", "Experiences", and "Features (Qualities)", with a fourth box labeled "Negatives" positioned below "Features". At the bottom of the page is a wide box labeled "Additional Products (Friends & Family)". Small arrows point from the central box to each of the surrounding boxes, indicating that the accessories and other elements are part of the overall figure.
