

## The Values Auction.

At auctions people bid on items, & the highest bidder buys the item. Below is a list of 'items'. Imagine that you have £10,000 to spend at this silent Values Auction. For each item, decide how much of your £10,000 you plan to bid. Some items you may decide not to bid at all. Remember you can only bid up to £10,000. After completing your bids, you will discuss with worker, however If working in a group we will compare bids to see who bid the most for what.
